

EACH SKIN TYPE DESERVES ITS OWN MUSTELA CARE AND THEIR OWN NATURAL PATENTED INGREDIENTS

YOUR BABY HAS NORMAL SKIN

What makes Mustela Normal Skin products work?

Mustela®'s Normal Skin product range is formulated with Avocado Perseose®, a natural ingredient to hydrate and preserve the skin's richness.

YOUR BABY HAS DRY SKIN

What makes Mustela Dry Skin products work?

Mustela®'s Dry Skin products are formulated with Avocado Perseose®, a natural ingredient to hydrate and preserve the skin's richness and with Ceramides + Cold Cream to deeply nourish and keep the skin comfortable.

YOUR BABY HAS VERY SENSITIVE SKIN

What makes Mustela Very Sensitive Skin products work?

Mustela®'s fragrance-free Very Sensitive Skin product range is formulated with Avocado Perseose®, a natural ingredient to hydrate and preserve the skin's richness and Schizandra to soothe sensations of tightness and tingling.

YOUR BABY HAS ECZEMA-PRONE SKIN

What makes Mustela Eczema-prone Skin products work?

Mustela®'s fragrance-free Stelatopia® product range is formulated with Avocado Perseose®, a natural ingredient to hydrate and preserve the skin's richness and Sunflower Oil Distillate to soothe and replenish the skin with key lipids.
