

There's a new boss in town

the Boss™

Easy to use high velocity superblender

The Boss™ is the only high velocity superblender that uses the ProKinetix™ folding action to deliver finer particles, a smoother mouthfeel, and up to 24% more nutrients* than many commercial blenders.

Bloggers can simply enter on the day for the chance to win using [#blendwiththeBoss](#) and [@BrevilleAus](#) in your tweets.

One minute green smoothies.

One minute frozen desserts.

Cold to hot soup in 6 minutes.

Variable speeds for milling, spice grinding, nut butters and milks.

Come & See The Boss In Action

Prizes to be won on the day

*Tested on a "KERMIT'S DELIGHT" green smoothie. Green apple (200g), kale (100g), celery (120g), oranges (300g), carrot (200g), distilled water (250ml). Serving size is 400ml. Testing conducted on behalf of Breville Pty Ltd. December 2013 - Australian Government, National Measurement Institute
